PLAYING EQUIPMENT

- 2 cornhole boards
- 8 bean bags
- Time clock

GAME SETUP

Unfold legs and place the cornhole boards opposite each other on a flat surface approximately 27 feet apart.

GAME PLAY

With a time clock running, each player throws 8 bags from one board, then runs to the opposite board and throws them back, continuing until they've gotten 13 bags through the hole.

Variation: Each player gets four bags and make their tosses simultaneously. *Note: The number of different-colored bag sets available will determine the maximum number of players.* Players race back and forth, trying to be the first to get 13 tosses through the hole for the win. Chaos of the most fun kind!

SCORING

The player who gets 13 bags through the hole in the quickest time is the winner.
