PLAYING EQUIPMENT

- 1 cornhole board
- 1 bean bag per player

GAME SETUP

Unfold legs and place the cornhole board on a flat surface.

GAME PLAY

Players attempt to toss a single bag through the hole from a predetermined "close" distance. Anyone who makes it moves on to the next round and all players toss from a line several feet further back. Tossing continues from further and further away as more players are eliminated when they miss their toss.

SCORING

The player who tosses the final bag through the hole from the furthest distance is the winner.

WARNING: Drilling, sawing, sanding, or machining wood products generates wood dust, a substance known to the State of California to cause cancer. Avoid inhaling dust generated from wood products or use a dust mask or other safeguards to avoid inhaling dust from wood products. Wood products emit chemicals known to the State of California to cause birth defects or other reproductive harm.
