PLAYING EQUIPMENT

- 72 wooden blocks

GAME PLAY

Get creative and have a tower-building contest! Contestants use a tape measure to measure their own tower (before it falls!) and record the height. If the tower falls while measuring, the contestant is eliminated. After all towers have been built and their heights have been recorded, the person with the tallest wins.

Don't forget to take pictures and post them to us on our Facebook page (Belknap Hill Trading Post)!

WARNING: Drilling, sawing, sanding, or machining wood products generates wood dust, a substance known to the State of California to cause cancer. Avoid inhaling dust generated from wood products or use a dust mask or other safeguards to avoid inhaling dust from wood products. Wood products emit chemicals known to the State of California to cause birth defects or other reproductive harm.
